FROM THE...

Medical And Surgical Indrmaries

OF...

PHILADELPHIA AND DENVER.

Have opened a branch office in Vir-
ginia City and have arranged to make
regular professional visits to Carson
and may be found at the Arlington
House on Sunday and Monday,
May 13th and 14th, fully prepared
to treat all Chronic, Special and Sur-
gical Affections of both sexes, includ-
ing:

CATARH, THROAT AND

LUNG AFFECTIONS.

Also Affections of the eye, Deafness,
Disease of the Joints, Crippled and
deform d; Chronic Female diseases,
Rheumatism, Rupure, Urinary,
Blood and Nervous Diseases of both
sexes.

CATARH.

THIS DANGEROUS MALADY, THE
forerunner of Deafness and Con-
sumption, is so prevalent in this sec-
tion of Nevada that we feel constrained
to give the subject more than a passing
notice.

Catarh is one of the most frequent
causes of deafness. Scarcely any one
afflicted with this disease for any length
of time remains a normal acuteness of
hearing power. With some, the hear-
ing suffers first only at times, the
ears become so stuffed during each
accession of cold, or stopped up when
blowing the nose; but by degrees these
stages of deafness occur oftener and
last longer until at length the hearing
becomes permanently impaired. In
others the hearing grows indistinct
without the appearance of any premon-
itory symptoms, and the deafness in-
creases steadily until all useful hearing
is lost. Noises in the head similar to
the escape of steam, the roaring of the
ocean, the ringing of bells, the singing
of the teakettle, and, in fact, all con-
ceivable sounds at times are heard,
which add materially to the existing
distress. The disease spreads from or-
gan to organ, involving the throat,
larynx, trachea and bronchial tubes,
until encroaching farther and farther,
it reaches the finer ramifications of the
bronchi, when a slight impulse is
needed to send it to the lung tissue.

Experience has proven that in a ma-
jority of cases, nasal catarrh becomes
the starting point of consumptive de-
velopment, the disease being trans-
mitted to the lungs both by a nervous
connection and a continuity of surface,
and so frequently has this course been
noticed that nasal catarrh is now con-
sidered as a premonition and one of the
earliest manifestations of consump-
tion.

By scientific research it has been dis-
covered that the horrible disease is
caused by a GERM or MICROBE, and
our Germicidal Treatment will posi-
tively cure the worst cases.

A FREE TREATMENT will be given to any
who will call at our office.

MALE DISEASES.

We treat all private, chronic and
nervous diseases of men, and cure secret
blow and skin diseases, sores and
swellings, nervous debility, impotence
and other weakness of manhood.

We correct the secret errors of youth
and their terrible effects, loss of vitality,
palpitation of the heart, loss of mem-
ory, despondency and other troubles of
mind and body. Prevent consumption,
heart disease, softening of the brain
and spinal disease, and all other affec-
tions caused by the errors, excesses and
disease of boys and men.

We restore lost vigor and manly
power, remove deformities and restore
the organs to health. We also cure
diseases caused by mercury and other
poisonous drugs used in the improper
treatment of private diseases.

To such as have failed to be benefited
by drugs, we would say that our NEW
GALVANOXYGEN TREATMENT will
certainly restore you to vigorous man-
hood, or your money refunded.

We are regular graduates of over 25
years' experience in metropolitan insti-
tutions for the sole treatment of chronic
and spinal diseases.

Reference can be given to any num-
ber of cases cured at Virginia City.
